The Hornets had a very successful track season this year considering the number of underclassmen on the team. The thinclads won two meets, finished second in four triangular meets, and finished third in the Mid-West Conference meet at Beardstown. The Hornets are looking forward to next year as they lose only Ramon Jones by graduation.

One or two breaks this year could have turned the season into a very successful one. Two of the four meets in which the Hornets finished second were lost by less than seven points.

BROWN COUNTY COMMUNITY HIGH SCHOOL BAND AND CHORUS

The music department of the Brown County High School received two new musical directors at the beginning of the year, Mr. Orval C. Washburn, director of the band, and Mr. Maurice Ivans, director of the chorus. The Marching Band took part in the Western University Homecoming Parade. The Concert Band played its first concert at the Open House. An Annual Winter Concert was given in February. Brown County was host to the Tri-County Music Festival in the Spring in which Rushville and Beardstown Community Bands and Choruses participated. In the late spring, the Annual Formal Spring concert was given with both the band and chorus performing.

The chorus gave a Christmas Concert and furnished music for the Mississippi Valley Teacher's Institute, Good Friday and Easter Sunday Sunrise Service, and Baccalaureate.
